Action Taken: Under section 37.1 of the Health Professions Act, the Inquiry Committee made a Consent Order against Dr. Murray Kievit further to a complaint alleging inappropriate touching in the course of treatment. Dr. Kievit denied the allegations in the complaint. In the Consent Order, to which Dr. Kievit consented, the Committee (1) permanently cancelled Dr. Kievit's registration, and required (2) an undertaking not to engage in any further practice of health care (3) payment of costs in the amount \$1000.
