

COLLEGE OF
CHIROPRACTORS
OF BRITISH COLUMBIA

Our logo represents our five core values:
transparency, accountability, integrity,
expertise and respect.

Start date: Jan 27, 2022

Action Taken: Dr. Murray Kievit consented to terms on his practice, which terms were revised on March 10, 2023. The terms require that Dr. Kievit:

- (a) not provide care to any female patient unless there is a chaperone present who is over the age of 19,
- (b) not proceed with care, and refer the female patient to another chiropractor, if the patient or the patient's parent/guardian or substitute decision maker does not consent to a chaperone being present for care,
- (c) ensure that the chaperone's name, telephone number and signature are recorded with the clinical notes for the care provided, and
- (d) report to the College on a weekly basis with documentation confirming the use of chaperones in compliance with the terms.
