

Type: Consent Resolution

Name: Glenn Kukkee, former RMT

Location: Vancouver, BC

Date of Action: October 21, 2025

Nature of Action: On October 21, 2025, Glenn Kukkee, RMT (“Mr. Kukkee”), entered into an Undertaking and Consent Agreement pursuant to section 33(6)(c) and section 36(1) of the *Health Professions Act*, following an investigation by the College of Complementary Health Professionals of B.C.’s (“CCHPBC”) Inquiry Committee into whether Mr. Kukkee failed to comply with applicable restrictions when he held non-practising registration status.

Background: Mr. Kukkee was a registrant of the former College of Massage Therapists of British Columbia (“CMTBC”) prior to its amalgamation into CCHPBC.

April 3, 2024, the CMTBC Inquiry Committee initiated an investigation into whether Mr. Kukkee failed to comply with applicable restrictions when he held non-practising registration status in 2023 and 2024. Mr. Kukkee admitted that he practiced massage therapy in British Columbia while he held non-practising registration status. Mr. Kukkee also admitted to improperly using the titles “massage therapist” and “RMT” while he held non-practising registration status.

Mr. Kukkee’s registration with CCHPBC lapsed on December 31, 2024. He has not held practising status since January 3, 2023 (under CMTBC) and is currently not authorized to practice as a registered massage therapist in British Columbia.

Resolution: CCHPBC’s Inquiry Committee resolved to dispose of the matter by requiring that Mr. Kukkee undertake or consent to the following:

- A formal reprimand by the College.
- If Mr. Kukkee applies for and is successfully reinstated with CCHPBC,
 - an agreement not to repeat the conduct of:
 - practising massage therapy while holding non-practising registration status with CCHPBC; and

- while holding non-practising registration status with CCHPBC, using a restricted title or abbreviation of a restricted title reserved for massage therapists in the Massage Therapists Regulation, BC Reg 280/2008, without immediately following it with the phrase “Non-practising.”
 - a suspension of his registration with CCHPBC for a period of 6 months to be served consecutively with any other suspensions imposed on his registration.
 - cooperation with random audits of his practice and billing records for a period of three years, commencing on the date he completes any suspensions imposed on his registration.
- Payment of a portion of the costs of the investigation.

If Mr. Kukkee seeks to reinstate his registration with CCHPBC, such reinstatement will not automatically be granted. CCHPBC’s Licensing Committee will evaluate his application for registration under the *Health Professions and Occupations Act* and CCHPBC Bylaws.

The Inquiry Committee is satisfied that this resolution is consistent with CCHPBC’s mandate to serve and protect the public.
