

# Licence Examination

CCHPBC's licence examination is generally held twice a year: once in late winter/Fall and once in late summer/fall.

The webpage will be updated when scheduling details for Fall 2026 examination are available.

---

Candidates are required to complete three components of the licence examination:

- Clinical Knowledge and Theory Exam
- Performance-Based Assessment (practical exam)
- Law, Ethics & Professionalism

Candidates are enrolled in the online course in Law, Ethics & Professionalism as soon as they have booked the date and time of the online exam. All 7 modules of the online course must be completed before the scheduled exam. The online exam is held in proctored computer labs.

Information about CCHPBC's RMT licence examination can be found on the [Exam Components](#) webpage.
